PRODUCT SUITABILITY

WHO IS THE PRODUCT SUITABLE FOR?

- The Fund is only suitable for investors who:
 - are seeking capital growth over the long term;
 - want to invest in a fund that has exposure to a concentrated portfolio of equity securities or equity-related securities of large and mid-capitalisation companies in Mainland China;
 - are prepared to accept at least a moderate level of volatility.

You should consult your financial advisers if in doubt whether the Fund is suitable for you.

Further information
Refer to Appendix 4 of the Singapore Prospectus for further information on product suitability.

KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in an investment company with variable capital constituted in Ireland that aims to achieve long term capital appreciation.

Refer to Appendix 4 of the Singapore Prospectus for further information on features of the product.

Investment Strategy

- The Fund invests primarily (at least 70% of its net asset value) in a concentrated portfolio of equity securities or equity-related securities of large and mid-capitalisation companies established or having significant operations in Mainland China and which are listed, traded or dealt in on Regulated Markets worldwide.
- Currently, mid-capitalisation companies are companies with a minimum investible market cap (free float) of US\$ 1 billion at the time of investment. Larger capitalisation companies are companies with a minimum investible market cap (free float) of US\$3 billion at the time of investment. The Investment Manager may review this definition as considered appropriate.
- The Fund’s maximum exposure to China A Shares including those listed on the ChiNext and/or STAR Boards (whether directly through the QFI or the Stock Connects, and/or indirectly through equity linked or participation notes and collective investment schemes) will not exceed 100% of the Fund’s net asset value. Direct investment in China A Shares through the QFI is limited to less than 70% of the Fund’s net asset value.

Refer to Appendix 4 of the Singapore Prospectus for further information on the investment strategy of the product.

¹ The Singapore Prospectus is available for collection from First Sentier Investors (Singapore), 79 Robinson Road, #17-01, Singapore 068897 or approved distributors during normal business hours on any Singapore business day or accessible at www.firstsentierinvestors.com.

² If you are submitting your subscription application or redemption request through an approved distributor in Singapore, you may only do so during the opening hours for that approved distributor on a Singapore Business Day.

<ul style="list-style-type: none"> • The Fund's maximum exposure to China B Shares (through direct investment) will not exceed 10% of the Fund's net asset value. • The Fund may only use financial derivative instruments for purposes of hedging and efficient portfolio management. 	
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The Fund is a sub-fund of the Irish constituted umbrella First Sentier Investors Global Umbrella Fund plc (the "Company"). • The Company is managed by First Sentier Investors (Ireland) Limited. • The Manager may appoint one or more approved investment managers and sub-investment managers to manage all or a portion of the assets of the Fund. • The Depositary of the Fund is Northern Trust Fiduciary Services (Ireland) Limited. 	<p>Refer to the "Management and administration", "Depositary" and "Other Material Information" sections (Paras 2, 3 and 21) of the Singapore Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the Fund and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and your principal may be at risk:</p>	<p>Refer to the "Risks" section (Para 9) of the Singapore Prospectus for further information on risks of the product.</p>
Market and Credit Risks	
<ul style="list-style-type: none"> • You are exposed to market risk – The Fund's investment is subject to general market risks, and their values may fluctuate due to various factors, such as changes in investor sentiment, political and economic conditions and issuer-specific factors. • You are exposed to emerging market risk – Investing in securities in emerging markets may involve a greater risk than investing in more developed markets. • You are exposed to China market risk – The value of the Fund's assets may be affected by uncertainties such as political developments, changes in government policies, taxation, foreign exchange controls, currency repatriation restrictions, restrictions on foreign investment in China and other adverse liquidity, legal or regulatory events affecting the Chinese market. • You are exposed to currency risk – Investments of the Fund may be denominated in various currencies. The net asset value of the Fund may be affected unfavourably by fluctuations in the exchange rates and by changes in exchange rate controls. The Fund is not denominated in Singapore dollars and you may be exposed to an additional exchange rate risk if your reference currency is Singapore dollars. 	
Liquidity Risks	
<ul style="list-style-type: none"> • The Fund is not listed in Singapore and you can redeem your shares only on Dealing Days as described in the Singapore Prospectus • You may not be able to redeem on a Dealing Day if a redemption limit is imposed or if redemption is suspended – There may be a 10 per cent limit on the number of shares that can be redeemed on any Dealing Day and the directors of the Company may temporarily suspend redemption during certain circumstances. • You are exposed to the liquidity risk of the Fund's investments – The Fund may not be able to sell assets in a timely manner and/or at a reasonable price. If this is the case, you may not be able to get your money back when you want it. 	
Product-Specific Risks	

- **You are exposed to investment risk** – Investment in shares of the Fund involves risk and ***you may not get back the full amount you invested***. Past performance is no guarantee of future performance.
- **You are exposed to single country / specific region risk** – The value of the Fund may be more volatile than a fund having a more diversified portfolio of investments covering multiple countries.
- **You are exposed to single sector risk** – The value of the Fund may be more volatile than a fund having a more diversified portfolio of investments.
- **You are exposed to concentration risk** – The Fund invests in a relatively small number of companies and may be subject to greater risk of suffering proportionately higher loss should the shares in a particular company decline in value or otherwise be adversely affected than a fund that invests in a large number of companies. Although the Fund has China focused investment universe, it may at times invest a large portion of its assets in certain geographical area(s) or countries.
- **You are exposed to mid-capitalisation companies risk** – Securities in mid-capitalisation companies may have lower liquidity and their prices are more volatile to adverse economic developments than those of larger capitalisation companies in general.
- **You are also exposed to RMB currency and conversion risk, risks associated with the ChiNext market and/or the Science and Technology Innovation Board (STAR Board), risks associated with the Fund’s investment in equity linked notes, risks associated with the Fund’s investment into other collective investment schemes, risks of investing in China A Shares and other eligible PRC securities via QFI and risks specific to investment via the Stock Connects.**
